

Quality Policy

PDT Cosmetici s.r.l. has been working in the national and international cosmetics market for more than 25 years. The main objective is to pursue a policy with the Customer at the core of business. Therefore, the Customer plays a key role in the organization's success. It is important to get to know them and study their needs, providing products that comply with current regulations, agreed commitments and expectations, ensuring constant after-sales service.

Thanks to the collaboration with expert professionals and leveraging cutting-edge technology, over the years PDT Cosmetici s.r.l. has expanded into national and foreign markets.

The Management set the following strategic objectives to be pursued through the Integrated Quality and GMP Management System for which the company has been certified since 2016:

- ☐ Supervise and maintain finished product compliance with industry laws and regulations;
- ☐ Identify customer needs and expectations, convert them into requirements and comply with them;
- ☐ Provide adequate support resources to achieve the objectives of the Integrated Management System;
- ☐ Pursue the growth of staff skills through continuing professional development;
- ☐ Maintain the certifications of the Integrated Management System;
- ☐ Pursue continuous improvement in terms of effectiveness and efficiency of the Integrated Management System.
